

## **LGT-S Series Landfill Gas Analyser**

### **APPLICATIONS**

- \* Flare Stations
- \* Cogeneration
- \* Gas Extraction Systems
- \* Well Heads
- \* Perimeter Monitoring Wells
- \* Collection Piping

### **BENEFITS**

- \* Economical and Compact
- \* Accurate Analysis of Concentration for Energy Recovery
- \* Accurate Analysis of Concentration for Flare Purposes
- \* Selectable ranges and outputs
- \* Flexible interface options
- \* Displays Available
- \* Input Power Option
- \* Custom Panel and Sampling System extra (contact factory)
- \* Alarms and setpoints
